ALCOHOL TRIVIA

The game that gets teens talking

A 30-minute activity that turns alcohol education facts into unforgettable learning

Why this works

Nothing beats a quiz show for engagement. The combination of team competition, time pressure, and instant feedback makes learning exciting and memorable.

Activity

1. Setup (5 mins)

1. Open game on main screen: <https://blurredminds.github.io/Alcohol-Trivia>
2. Split class into 3-4 teams
3. Each team picks a spokesperson
4. Draw scoreboard on whiteboard:

2. Game Show (20 mins)

The teacher's role:

- You're the game show host
- Read out each question clearly
- Keep the score on the board

The team rules:

- Teams can discuss quietly
- Only the spokesperson can give the answer
- No changing answers after time's up
- Teams get 1 point for each correct answer

The game flow:

1. Read out the question
2. The game starts a 25-second timer
3. Ask "Time's up! Let's hear your answers..."
4. Reveal the correct answer
5. Update the scores
6. Repeat for all questions
7. Drum roll.... Announce winners (3rd, 2nd, 1st)

3. Quick reflection at end of game (5 mins)

- Ask teams: "Which fact surprised you the most?"
- Share: "What's one thing you'll definitely remember?"
